Title of Thesis:

Ghadir Khumm Allegiance: Its preparation and Consequences

Abstract:

One of the most important propositions of heaven is the process of intellectual and political integration between prophecy and imamate (Islamic leadership after the prophet Mohammed).and the prophecy in its Khatami period, and the imamate of its progressive start to the construction of prophecy in the explanatory and religious paths and leadership of the Islamic nation for the post-Holy generous Prophet Peace and Blessings upon him (PBUH for short), is *Ghadir Khumm Allegiance*. , The allegiance that was founded for the Imam Ali bin Abi Talibs political and intellectual allegiance ,which necessitated a preparatory and divine preparation reflecting the close link between the divine political system and the *Ghadir Khumm Allegiance*, and it has formed an important focal point in the political construction of the path of the Imamate, which was not committed by a section of Muslims in a clear challenge to the orders of heaven and it was the beginning of the stage of political deviation that wreaked calamities on the Islamic nation because of abandoning the pledge of Ghadir Kham and the imamate of Imam Ali bin Abi Talib (Peace upon him PUH for short).
