Title:

The Grammatical Denotation in Al Mu'amnon Sura

Abstract:

My study "The Grammatical Denotation in Al Mu'omnon Sura" is divided into a preamble and three chapters, preceded by an introduction and ends up with a conclusion. The concept of the Grammatical Denotation and its relation with structure is presented in the permeable. Then, the difference between the grammatical denotation and the connotation of the single word is demonstrated.

The first chapter deals with the grammatical denotation in the verbal and nominal sentence in Al Mu'mnon Sura. The second chapter deals with the grammatical denotation along with the change of the sentence elements in Al Mu'mnon Sura where there is Anastrophe and deletion connotations. The third chapter is entitled "The Grammatical Denotation in The Sentence Styles in Al Mu'mnon Sura. Furthermore, the study deals with linguistic styles stated in Al Mu'mnon Sura such as emphasis, negation, interrogation and other styles occur in Al Mu'mnon Sura. The study is ended up with a conclusion where the significant results of the study are mentioned.
