Abstract of Thesis

Abbas bin Abdul Muttalib, one of the uncles of prophet Muhammad who had an important role in spreading the Islamic Dawaa and religion. Abbas was one of the believers in Prophet Abraham (Allah prays on him) like his father Abdul Muttalib. Abbas did not declare his conversion to Islam, until the battle of Badir (2 AH). He was an irrigator of pilgrims in Mecca in Aljahilia era after the death of Abu Talib, until the conquering of Mecca by Prophet Muhammad (Allah prays on him).
