Title of thesis:

**The Journalism Activity for Al Neda Newspaper during the Iraqi Invasion to Kuwait 11
Aug- 30 Dec 1990**

Abstract:

The relationship of the Kuwaiti Iraqi since its beginnings first tends to the volatility and instability as well as torn in some periods and that was clear through the study of the historical roots of these links and the form of the Iraqi invasion of Kuwait was the offender whatever to researchers in the contemporary history of Iraq and of the fact that this invasion is a disaster that swept the Arab Gulf region. The placing of the Kuwait and their relevance to the historical and cultural in Iraq, and the nature of relations between the two countries.
